

TamaiSports

Tee off with Tamai – Charity Golf Day

Sponsorship Opportunities

Everyone should have the opportunity and ability to play sports.

But for many, that's not the case.

That's why the Tamai Sports programme exists – to support healthier children and communities by removing the barriers to participation in sport.

Tamai Sports provides a safe, positive, and culturally appropriate experience for tamariki aged 8 to 13, whānau, and schools, where the outcomes live long after the programme.

With help from generous people like you, in 2024, over tamariki participated in sports such as rugby, football, futsal, touch, netball, and cricket!

How do we know there is a need?

Tamai Sports works with the Tamai Ako Learning Cluster of eight Christchurch East schools to ensure the tamariki who will benefit the most from participation are given the opportunity.

Other Christchurch East organisations, like He Waka Tapu help support the tikanga aspect of the programme.

How your financial support helps.

Actively removing barriers means making sure our tamariki have the transport, equipment, coaches, mentors, kit and kai they need to have a go at sports!

**It takes a community to raise a child.
So please join us in helping tamariki
benefit from participation in sports.**
